A minimum of 10 Xplor student members are necessary to affiliate as an Xplor International collegiate chapter. Student membership is required of all members of the Xplor collegiate chapter. The Xplor collegiate chapter's faculty advisor must be a professional member of Xplor International.

The Xplor collegiate chapter at (*insert name here*) will comply with the provisions prescribed by the Board of Directors of Xplor International and hereby petitions for recognition as an Xplor affiliate college chapter.

#### ***We agree:***

- To abide by the constitution and bylaws as a collegiate chapter of Xplor International.
- That all of our collegiate chapter members are Xplor members.
- To contribute to the achievement of the objectives set by Xplor International to the best of our ability.
- To cooperate with the procedures of Xplor collegiate chapter operation as outlined by the Association.

#### ***We understand:***

- That reasonable requests for support programs and promotional materials will be provided for our chapter by Xplor International.
- That we may call upon the Association's personnel for general information or assistance in operational problems.
- That we may expect cooperation from the professional chapter of Xplor International if there is one in our area.
- That the Association has the right to revoke our affiliation if we do not meet the requirements set out by Xplor International.
